

**ANNOUNCEMENT: CALL FOR ABSTRACT**  
<https://www.pawees-2024.com/>

## **PAWEES 2024 International Conference**

**October 23-25, 2024**  
**Taichung, Taiwan**

### **CONFERENCE AIM AND SCOPE**

The conference objective is to create an interactive platform for paddy and water environment related researchers, scientists, practitioners, policy makers and other professionals from Asia-Pacific Region and else around the world to share and present their novel advances, research findings, perspectives and experiences in response to, but not limited to, sustainable water and environmental management.

### **CONFERENCE THEME**

**Theme : Integrating the Water-Energy-Food Nexus for Sustainable Agricultural Advancement**

**General session:**

Topic 1: Water-Energy-Food Nexus, Concepts and Methodologies

Topic 2: Innovative Technologies in Water and Energy Efficiency

Topic 3: Sustainable Development and Climate Change

Topic 4: Practice, Policy and Governance for Nexus Integration

**Student session:**

Enhancing water management

### **CONFERENCE VENUE & FIELD TRIP**

Conference will be held in Oct 23, at the Fong-Yu Conference Center, Taichung. Additional information about nearby accommodation options will be provided later. Field Trip is scheduled for October 24-25. It is planned to visit several agricultural, irrigation, water engineering and historic facilities. Participants will have the opportunity to stay overnight at Sun-Moon Lake.

### **PRESENTATIONS**

Authors are invited to submit abstracts to the scientific committee of the conference. The notification of acceptance will be dispatched after the decision making from the scientific committee. Student sessions will be operated separately.

**Submission:**

The abstract submission process for PAWEES 2024 will be through an online submission portal.

**Oral & Poster presentation:**

The details will be announced later
